Excellence in Public Education Awards 2017

It is time to think about nominating someone in your school community who personifies the OSSTF/FEESO motto:

***Let us not take thought for our separate interests,
but let us help one another.***

We are again accepting nominations for the District 14 CPAC Excellence in Public Education Award. Five award winners will be invited, with their guest, to attend a BBQ and Awards Evening at the District Office on June 7th. On that night we will toast their contributions to public education, and making our secondary schools great. The recognized member(s) will demonstrate:

- A deep dedication to helping support public education
- Respect for the school community
- A commitment to enriching the school community

The District 14 CPAC will be organizing and presenting the Awards. Nomination forms can be found on our website, or from your Branch President. If you have any questions please call or email Tracey Germa, 705-748-3444 traceygerma@nexicom.net
